

Teodor Kastanek

Bramford | (555) 010-0128 | teodor@bramford.example | linkedin.example.com/in/teodor-kastanek | github.example.com/teodor-kastanek

Education

Alderney Polytechnic, Bramford June 2026
Bachelor of Science in Computer Science; Minor in Organizational Communication GPA: 3.7/4.0
Coursework: Mobile App Development, Software Engineering Practices, Team Dynamics, Data Structures

Projects

Mygames Nov 2022 – Sep 2024
Kotlin

- Built an Android app in Kotlin following an MVVM architecture course, structuring the codebase across 133 files.

Randomuser Sep 2024 – Sep 2024
Kotlin

- Implemented an MVVM Android app consuming a public random-user API to practice clean state and view separation.

Experience

Alderney Polytechnic CS Department, Bramford Sep 2024 – May 2025
Teaching Assistant

- Reviewed classmate Kotlin and Swift assignments, giving feedback that reduced repeat submission errors in later labs.

Activities & Extracurriculars

Alderney Mobile Dev Society, Peer Mentor Lead Jan 2025 – Present

- Paired with five classmates struggling on Kotlin coursework, translating build errors into fixable steps.
- Noticed repeated merge conflicts across group projects and introduced a shared branching checklist the group adopted.

Skills & Interests

Mobile: Native iOS/Android
