

Sanne Bakker

Eastmoor | (555) 010-0281 | sanne@eastmoor.example | linkedin.example.com/in/sanne-bakker | github.example.com/sanne-bakker

Education

Eastmoor Institute, Eastmoor Jul 2026
Bachelor of Science in Computer Science; Minor in Data Science
Coursework: Machine Learning Fundamentals, Data Visualization, Competitive Programming, Linear Algebra

Projects

CP Solutions Apr 2021 – Dec 2022
C++

- Solved competitive programming problems in C++ across more than 1,000 files, sharpening algorithmic thinking under contest time limits.

2024cxc Feb 2024 – Mar 2024
Jupyter Notebook, scikit-learn, pandas, matplotlib, seaborn

- Built a classification model in a Jupyter notebook using scikit-learn and pandas, visualizing results with matplotlib and seaborn.

Machine Learning Oct 2022 – May 2024
Python, Jupyter Notebook

- Maintained an ongoing collection of machine learning experiments in Python and Jupyter notebooks, revisiting techniques from coursework.

Activities & Extracurriculars

Eastmoor Competitive Programming Club, Former Member, ML Study Group Apr 2021 – Present
Organizer

- Competed in C++ problem sets for two years, then started an ML study group after classmates found model output hard to interpret.
- Built shared notebooks walking through a classification project's results, prioritizing charts classmates could question rather than raw accuracy numbers.

Skills & Interests

Language: Python, JavaScript, C/C++
Frontend: React, Tailwind CSS, HTML/CSS
Data: Data Analysis (pandas), Data Visualization
AI/ML: Machine Learning
