Education

Cedar Ford University , Cedar Ford	May 2027
Bachelor of Science in Computer Science; Minor in Business Studies	GPA: 3.7/4.0
Coursework: Data Structures, Intro to Product Design, Object-Oriented Programming	

Projects

TIL2026 , Independent Project	Jan 2026 – Sep 2026
--------------------------------------	---------------------

Java

- Maintained a daily Java learning log across 81 files and 200 commits over 134 active days.
- Reviewed old entries monthly and noticed recurring gaps in exception handling, then added targeted practice topics.

Todolist Java Swing , Independent Project	Sep 2025 – Sep 2025
--	---------------------

Java

- Built a to-do list desktop application in Java using Swing for the graphical interface.
- Trimmed a planned tagging feature after realizing it duplicated the app's existing folder structure.

Leetcode Solutions , Independent Project	Dec 2025 – Jan 2026
---	---------------------

Java

- Solved algorithm and data structure problems in Java, organizing solutions across 13 files for interview preparation.
- Prioritized problems by topic frequency rather than solving them in random order to focus practice time.

Activities & Extracurriculars

Cedar Ford Study Collective , Session Coordinator	Aug 2025 – Present
--	--------------------

- Organized weekly Java study sessions after classmates found course materials too dense to follow alone.
- Redesigned session structure around small practice problems once open-ended discussion left members without clear takeaways.

Skills & Interests

Language: Java, Python

Frontend: HTML/CSS
