

Idris Mensah

Brackwater | (555) 010-0117 | idris@brackwater.example | linkedin.example.com/in/idris-mensah | github.example.com/idris-mensah

Education

Brackwater Polytechnic , Brackwater	Jun 2026
Bachelor of Science in Computer Science; Minor in Applied Statistics	GPA: 3.4/4.0
Coursework: Data Structures, Operating Systems, Applied Statistics, Data Visualization	

Projects

M7fazty	Jul 2025 – Jul 2025
Makefile, CMake, C++, C	
Built a Qt-based C++ data structures project for a systems course, organizing the implementation across the module boundaries the assignment defined.	
FOS Operating System	Jul 2025 – Jul 2025
C, Assembly, Makefile, Shell	
Implemented a small C and Assembly operating system for a coursework assignment, working through boot sequencing and Makefile build steps.	
Currency Converter	Aug 2025 – Aug 2025
C#	
Wrote a C# currency converter and found inconsistent exchange-rate inputs partway through, which prompted a closer look at how the source data was formatted before trusting it.	

Activities & Extracurriculars

Brackwater Open Data Meetup , Volunteer Analyst	Feb 2026 – Present
- Volunteered with a community group cleaning a public transit dataset, cross-checking timestamps against posted schedules before using it in a course visualization exercise. - Relabeled axes and added plain-language context to a chart that had caused non-technical volunteers to misread it.	

Skills & Interests

Language: C/C++, C#, Shell Scripting, Python
Frontend: HTML/CSS
