Thistlewick | (555) 011-4712 | priya@coastalridge.example | linkedin.example.com/in/priya-nandakumar | github.example.com/applicant0122

Education

Coastal Ridge University, Thistlewick May 2027
Bachelor of Science in Computer Science; Minor in Statistics GPA: 3.8/4.0
Coursework: Web Application Security, Data Analysis with Python, Databases

Projects

Manga Reader Dec 2025 – Sep 2026

Dart, HTML, JavaScript, C++

- Built a Flutter manga-reading app in Dart and JavaScript, using Firebase rules-unit-testing to verify access rules before deploying database changes.
- Set up an automated test suite and continuous checks across 30 active days of iterative development.

Php Pj Jan 2026 – Feb 2026

CSS, Blade, PHP, JavaScript

- Developed a PHP and Blade web application integrating Bootstrap and Axios across the project's 331 files.

Activities & Extracurriculars

Coastal Ridge Security Reading Group, Member Feb 2026 – Present

- Started reviewing classmates' Firebase and web projects for common authorization mistakes after noticing repeated open-read rules in shared demos.
- Realized debugging access-rule tests was more engaging than building new features, prompting a shift toward application security testing.

Skills & Interests

Language: Python, JavaScript

Frontend: HTML/CSS

Data: Data Analysis (pandas), Data Visualization, Data Modeling

AI/ML: Machine Learning

DevOps: GCP/Azure, Linux & Server Administration

Quality: Unit Testing

Mobile: Flutter, Native iOS/Android
