

Ines Dobrescu

Marrow Creek | (555) 010-0130 | ines@marrowcreek.example | linkedin.example.com/in/ines-dobrescu | github.example.com/ines-dobrescu

Education

Corrigan Institute of Technology , Marrow Creek	Dec 2026
Bachelor of Science in Computer Science; Minor in Statistics	GPA: 3.8/4.0
Coursework: Software Testing, Operating Systems, Applied Statistics, Machine Learning	

Experience

Corrigan Research Computing Lab , Marrow Creek	Feb 2026 – Sep 2026
Research Software Assistant	
- Debugged inconsistent results across 77 days of model-interpretability experiments before trusting reported phase-transition metrics. - Wrote pytest checks for a Jupyter-based analysis pipeline after silent data-loading errors skewed an early result.	

Projects

Pipeline Orchestrator	Mar 2026 – May 2026
C#, Jupyter Notebook, Python	
Built a C# and Python pipeline orchestrator packaged with Docker, coordinating data steps across 70 files.	

ASP.NET Web API Authorization With Identity Framework	May 2024 – May 2024
C#	
Implemented role-based authorization and email verification in an ASP.NET Identity reference project to study secure auth flows.	

Activities & Extracurriculars

Corrigan Testing Interest Group , Study Group Organizer	Mar 2026 – Present
Started a weekly group reviewing classmates' bug reports, pushing for reproducible steps before debugging began.	

Skills & Interests

Language: Python, C#, TypeScript, SQL
Data: Data Analysis (pandas), Data Visualization
AI/ML: Deep Learning, Computer Vision, Machine Learning, Natural Language Processing
DevOps: Docker
Quality: Unit Testing
