Experience

Harrow & Vale Realty, Cobalt Bay Jan 2024 – May 2025
Leasing Operations Assistant

- Coordinated lockbox key handoffs across 40+ rental units, tracking discrepancies that delayed agent showings.
- Noticed repeated key-tracking errors and began prototyping a mobile logging tool to replace paper handoff sheets.

Projects

Keyhollow Jun 2025 – Sep 2026
Swift, Python, JavaScript, Shell

- Built KeyHollow, a Swift and Python mobile prototype for logging property key handoffs with automated checks.
- Set up continuous integration across a 145-file codebase to catch build errors before manual testing.

PA Search Jun 2025 – Aug 2026
HTML

- Built an HTML property-search interface for looking up public appraisal records across Florida counties.

Education

Wrenfield University, Cobalt Bay May 2027
Bachelor of Science in Information Systems; Minor in Urban Studies GPA: 3.6/4.0
Coursework: Mobile Application Development, Human-Computer Interaction, Database Systems, Urban Economics

Activities & Extracurriculars

Cobalt Bay PropTech Collective, Volunteer Organizer Sep 2025 – Present

- Organized monthly demo nights where agents tested early prototypes, surfacing workflow gaps before wider rollout.

Skills & Interests

Language: JavaScript, Python
Frontend: HTML/CSS
DevOps: CI/CD
Mobile: Native iOS/Android
Product: Technical Writing
