

Ilse Kowalczyk

Brindlewood | (555) 010-1411 | ilse@brindlewood.example | linkedin.example.com/in/ilse-kowalczyk | github.example.com/ilse-kowalczyk

Education

Brindlewood State University , Brindlewood	May 2027
Bachelor of Science in Computer Engineering; Minor in Visual Arts	GPA: 3.6/4.0
Coursework: Distributed Systems, Intro to Interaction Design, Software Testing	

Projects

Gorm Txflow Go	Oct 2023 – Sep 2026
--------------------------	---------------------

- Wrote a Go transaction manager for GORM supporting multiple propagation modes, with an automated test suite covering rollback behavior.
- Kept the library's public interface small and consistent so other developers could adopt it without reading internal transaction logic.

Site De Assinatura HTML, CSS	Sep 2024 – Feb 2026
--	---------------------

- Built a signature-collection site in HTML and CSS, redoing the form layout after early testers missed required fields.

Criandoaventura Ernani3c HTML, CSS, JavaScript	Aug 2024 – Feb 2026
--	---------------------

- Built an interactive choose-your-own-adventure web page in HTML, CSS, and JavaScript, focusing on how choices were visually presented.

Activities & Extracurriculars

Brindlewood Systems Guild , Member	Feb 2025 – Present
---	--------------------

- After backend teammates dismissed a confusing button layout as a frontend detail, started pairing with them to test interfaces before merging.
- Noticed correct backend logic still frustrated users when the interface hid what was happening, and shifted personal focus toward interface clarity.

Skills & Interests

Language: Go

Frontend: HTML/CSS

Quality: Unit Testing
