Experience

Portwell Market Co-op , Portwell	Jun 2023 – Aug 2025
Retail Shift Associate	
- Coordinated shift coverage among a rotating part-time team, often resolving last-minute swaps through group chat. - Noticed how much confusion came from informal scheduling, which later motivated building a small tool to track it.	

Projects

Shift Sync	Feb 2026 – Sep 2026
Swift, Go	
- Built Shift Sync, a Swift and Go app to help part-time coworkers coordinate and swap shifts, across 81 files. - Started the project after repeatedly losing track of last-minute shift swaps arranged over chat messages.	
Inazu	Jan 2026 – Jul 2026
JavaScript, HTML, CSS	
- Self-hosted a personal portfolio site in JavaScript, HTML and CSS across 56 files using Express and SQLite. - Built a simple load balancer with failover to a friend's home server after her own server had gone down unnoticed.	
Chat.inazu.me	Jul 2026 – Jul 2026
TypeScript, CSS, JavaScript	
Built a small TypeScript chat web app with an automated test suite using Vitest and Docker packaging.
